

Who are the Phantom Knights?

The Phantom Knights, a youth organisation, is an American style marching Show Corps based in Atherstone, Warwickshire. Officially launched in October 1996, the Phantom Knights' membership lives mainly in the Nuneaton, Hinckley, Atherstone and Dordon areas. However, such is the Corps' popularity that members and instructors have travelled from as far as London, Bedford and Colchester.

The Corps is made up of a marching brass line, marching percussion, static tuned percussion and the Colour Guard. Each section is supported by our experienced instructors, who themselves have marched with UK Premier Drum Corps.

What do the Phantom Knights do?

The main activity of the Corps is to enter marching band competitions. The Corps performs a variety of music from popular theatre shows and films through to classical orchestral pieces. Adapted for brass and percussion instruments, these pieces are then choreographed to put the music in motion. Many hours are spent rehearsing complicated moves, to perfect the show.

The end result is a unique display of music, movement and colour.

The Benefits

We believe that membership of the Corps will benefit members in a number of important areas of their personal development including: the personal discipline to march a show, musicianship, being a team member. Benefits that last a lifetime.

Providing today's youth a confidence that will last a lifetime

Welfare

As an independent youth organisation, we have a Welfare structure to ensure the well being of both Members and Staff.

Donation Scheme

The Phantom Knights running costs are in excess of £30,000 per year. The majority is raised by subs paid by the members and fund raising events held throughout the year.

This year the money raised by our donation scheme will be used to fund some of the £4300 running costs of the truck.

Our donation scheme is quite simply, to have your company name displayed on two sides of our truck in a space 80 x 15cm for as little as £200.

Companies will gain from widespread national publicity as the Corps travels to competitions.

There will also be the prestige involved in associating your company name with a respected youth organisation pursuing the training and development of young people.

We can also add your company name and logo to our Website (an average of 900 hits per month). For further details please contact us.
